

Honeysuckle Hill Farm aids Cheatham County Schools in continued Flood Relief.

We know Cheatham County Schools were hit hard by this year's flood and we want to help! That's why this fall we will be making a **One Dollar Donation to each Cheatham County Elementary School for Every Student that visits Honeysuckle Hill Farm for an**

Educational Farm Tour. We are offering this program to every elementary school in Cheatham County. Each school in Cheatham County has unique needs and we felt a donation to each school directly would put the money where it will be used best!

Honeysuckle Hill Farm is open for Educational Farm Tours weekdays in October. This year we offer two different tours; The Orchard Tour or The Pumpkin Tour.

We will be open to the public weekends beginning September 25th.

Please contact us at 615-478-1274 for more information about the farm and the great events we have planned this year.

Sincerely,

Alicia Easterwood
